## Investor Fact Sheet | First Quarter 2013

### Focus on Technology

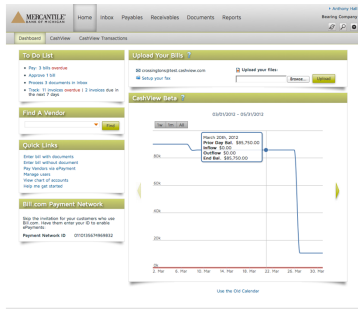

#### Virtual Branch Strategy

Mercantile Bank Corporation, through its subsidiary Mercantile Bank of Michigan, satisfies the demands of increasingly tech-savvy customers through their offerings in virtual banking. The first bank to partner with Paypal<sup>®</sup>, Mercantile is at the leading edge of the technology world with products such as: **MercMobile<sup>®</sup>**, a powerful all-in-one application allowing users to access account information, transfer money, and pay bills from the ease of a cell phone; **Merc@Home<sup>®</sup>**, allowing customers to deposit checks online from the convenience of their home or office, or any location with an internet connection; and **FinanceWorks<sup>®</sup>**, an online management tool that allows customers to manipulate all of their accounts (including accounts with other financial institutions) using a single, robust solution powered by Quicken.

#### Small Business

Mercantile offers an array of tools for small-business owners, inclusive of Accounts Receivable and Accounts Payable reporting functions. Furthermore, owners can save time and money using **Mercantile Payroll Services** to streamline their process.

### Why Mercantile?

- Emerged from deep recession without long-term capital/regulatory issues
- Positioned for immediate and long-term growth
- Experienced management team
- Strong regulatory capital position
- Proven track record of performance
- Focus on technology
- Well established, long-standing relationships

#### BANK REGULATORY CAPITAL RATIOS 2010 – 2013

#### OVERHEAD COSTS 2010 - 2013

#### NONPERFORMING ASSETS 2010 - 2013

#### FUNDING COMPOSITION 2010 - 2013
